And Still We're Talking.

This month must see our Suit Department cleaned out of all Summer Suits and Jackets, as then we will begin our Fall campaign and our racks must be clean of all light-weight Suits and Coats.

LADIES' SUMMER SUITS.

We have only a few light Summer Suits left, and the prices we are putting on them should close them out in the next ten days. We have about a dozen Etamine Suits in blues, browns and black, also a few light-colored Suits, that we are selling at about half price. These Suits would be good investments to buy for next season.

LADIES' SUMMER JACKETS.

We have a few Ladies' Jackets in 27-inch corset, and Box Coats with shawl collars, which we are offering at closing prices.

CHILDREN'S AND MISSES' JACKETS.

We are offering the few remaining Misses' and Children's Jackets at about one-third off from the regular price. These are just the thing for early Fall wear.

The New Idea Magazine for August is now ready and the price is only 5c per copy.

A. P. ABBOTT & CO.

Don't He Look Swell?

That's what everybody says about the little fellows dressed in our Shirtwaists.

The new things are all here, the Shirt and Blouse styles, the attached and detached collar styles, all are here in new patterns of Percales and Cheviots. Can't describe these new swell waists, too big a job.

Every pattern is new, and mothers fall in love with them on sight. 25c to \$1.00.
